SUBJECT: Mikulas HOLEJKO

DECLASSIFIED AND RELEASED BY

DATE 2002 2008

1. The following information is submitted as possible interest to your Bureau.

2. A source of unknown reliability reported that Subject, an electrical engineer, escaped from the CSR in 1945 and is presently residing in Detroit, Michigan, USA (address not given). Subject's wife, Emilie HOLEJKOVA, lives at Prague-Zizkov, Stalinova 131, CSR. Subject corresponds with his wife in the CSR, using the cover name and address of Mrs. Helene GACZKOWSKA, International Institute, 111 East Kirby, Detroit, Michigan.

3. Source further reported that Mr. and Mrs. HOLEJKO have a son named Longin HOLEJKO, born about 1936, who has been source's friend since childhood. The son confided to source that Subject had been a member of the Communist Party in Czechoslovakia and an active member of the underground organization "Boj" (Fight). In about 1942, five members of "Boj" were called to Moscow for instructions including Subject, who declined to go. Later, date unknown, it was discovered that the other four (names unknown) members of "Boj" were executed in Moscow. Source believes that the primary reason why Subject escaped from the CSR and fled to the West was to escape apprehension by the Russians. Source also believes that the HOLEJKO family now is anti-communist.

4. If any further information on Subject becomes available to this office, it will be forwarded to the Federal Bureau of Investigation. However no further information is available through the source of the above.
